## Blue Box Tips

- *rinse out containers before putting them in the Blue Box*
- be sure to properly sort your recycling
- keep your Blue Box clean so it doesn't attract pests
- Prevent Blue Box contents from blowing away by stacking items neatly and placing multiple film plastic items into bag

## Common Mistakes

Please **do not** put these items in the Blue Box:

*Broken glass*

*Drinking glasses*

*Pyrex*

*Light bulbs*

*Window glass*

*Ceramics*

*Containers from hazardous or petroleum products such as motor oil*
